Breaking Ancestral African Witchcraft

Father God, Lord Jesus and Holy Spirit,

I want nothing to do with any of these spirits or their ungodly practices. This day I divorce the enemy and all false gods that have been a part of my life, whether through inherited curses, the sins of my ancestors or my own involvement. Please forgive me and those in my family line. Please wash us clean from this iniquity and let the blood of Jesus cover our sins, and close the doors to the enemy. I ask you to cleanse me from all unrighteousness according to Your word in 1 John 1:9. You said if I confessed my sins, You were able and just to forgive them and cleanse me from this unrighteousness. I submit to Your Lordship, Jesus, and the authority of Your Holy Spirit. You are the only God for me! I will not serve any other God but You! I ask You to restore my life, my health, my finances, my well being, good, healthy and godly relationships, and bless me the way you want me to be blessed.

Father, I forgive my family members for the hurt they have caused me. I forgive them for releasing curses in my life. I ask You to bless them with revelation and understanding of the error of their ways so that they can find their salvation and deliverance in You, Jesus. Please heal their minds, set their hearts free, and take good care of them. I release them into your hands.

Now, confident that I am forgiven of my own sins, I take the authority that You have given me, and I declare:

According to Revelation 12:9,the dragon, that old serpent called Satan and the devil has been cast out of me, and all his dark angels with him .

In the name and authority of Jesus Christ, I loose myself from all punishing, tormenting and vengeful spirits assigned to my life that would perpetuate a curse.

In the name and authority of Jesus Christ, I declare Him only to be my shield, protector, guardian, and refuge.

I command every demonic chain to be severed from my life in the name of Jesus.

I command every demonic spirit on assignment over my life to return to the place that Jesus made for you. Do not come back, I want nothing to do with you and I resist you! According to James 4:7 you must now flee from me, my home and everything that pertains to me. Get out in Jesus name!!

Let the curse over my home, myself and my family, and all that pertains to us be broken now, in Jesus name. I thank You, Father, for allowing us to receive Your restoration and the blessings that have been held back. I ask that Your Holy Spirit fill me with love, truth, wisdom, might, a spirit of understanding and enable me to live according to Your commands. Let the ruach, the breath of God come into me now, according to John 20:22

where You breathed on Your disciples and they received the breath of God. In Jesus name, Amen.
