

Dear Friend,

Greetings in the name of our Lord Jesus Christ!

On behalf of Deliverance Soldiers Ministry, we want to sincerely thank you for reaching out to us for your personal deliverance needs. Our journey in deliverance began in 2017 through partnerships with other ministries. Both Claudia and I are ordained ministers, and we have been called by God to serve in this vital area of spiritual healing and freedom.

As we continue to grow and serve, we humbly ask you to consider supporting our ministry through a one-time or monthly donation. We are not a 501(c) organization and do not receive grants or external funding. All ministry expenses—including our website, equipment, Zoom services, and meeting space rentals—are personally funded.

When we launched Deliverance Soldiers website, we initially didn't charge and relied on donations. But that didn't work out so well. The Lord reminded us that the laborer is worthy of his wages. So we did some research to find out what other ministries are charging, and kept ours at the minimal price point.

We trust in God's provision and in the generosity of those who believe in the work we are doing. Your support—no matter the amount—makes a meaningful impact. As Scripture reminds us, generosity draws us closer to God and helps others do the same. There is mightiness in the meek, and your giving is a powerful act of faith.

We also invite you to connect with our ministry in other ways:

- Become a prayer partner and stand with us in spiritual unity.
- If you feel called to deliverance ministry, we offer training classes to equip and empower you.
- Consider becoming a recurring donor—your continued support sustains our mission and outreach.

Thank you once again for your kindness, your prayers, and your impact on our community. We are deeply grateful for your partnership in this Kingdom work.

With heartfelt appreciation,

Dennis & Claudia Wilburn
